STEVEN WOLF,MD

DIRECTOR, PEDIATRIC EPILEPSY

PATRICIA MCGOLDRICK,CPNP

12/15/04

Re: Alexa Wilson
DOB: 6/21/02

This child has been diagnosed with pervasive developmental disorder using the CARS scale. She requires immediate placement of ABA therapy at home for 35-40 hours per week with a full day ABA based program beginning September 2005.

She should continue all existing services, as well.

Yours truly,

Steven Wolf, MD

Patty McGoldrick, NP
